- Led development of an Edge AI technology implementation pitch for a major global sporting event organization, partnering with the account's technology lead to shape the strategic narrative and value proposition
- Conducted a market scan across 30+ sources on AI infrastructure trends and competitive positioning for a Fortune 50 semiconductor client, synthesizing findings into insights that informed joint go-to-market strategy

Starian, Florianopolis, Brazil **Jan 2026-May 2026**

Strategy Consultant - UC Berkeley International Business Development (IBD) Consulting Project

- Delivered executive recommendations across growth strategy, M&A, and product roadmap prioritization for a Brazilian LegalTech firm through customer interviews, churn analysis, and on-site client engagement

United States Army, Various Locations **Jun 2015-Aug 2025**

Military Intelligence Captains Career Course Senior Instructor, Sierra Vista, AZ (2022-2025)

- Led and developed a team of 7 civilian and military instructors, managing daily operations, mentoring new faculty, and aligning teaching standards to ensure consistent delivery of 1,800+ hours of intelligence curriculum
- Redesigned a core exam by analyzing test data and conducting expert interviews, creating a more realistic assessment that improved first-time pass rates by 50% and enhanced core skills of 500+ mid-level leaders
- Restructured a weekly leadership development program by leveraging participant feedback and data analysis to optimize programming and engagement, driving a 500% increase in membership in one year
- Streamlined the unit's standard operating procedure by consolidating scattered information into a centralized digital drive, improving knowledge management, operational efficiency, and reducing onboarding time by 33%

Senior Intelligence Officer, Fayetteville, NC & Afghanistan (2020-2022)

- Synchronized intelligence operations across 5 companies and joint forces by establishing cross-unit communication channels, aligning collection priorities, enabling the safe evacuation of 125,000 non-combatants
- Produced 100+ intelligence products that informed tactical decisions by leading a 5-person intelligence team in data collection, analysis, and synthesis, ensuring the global deployment readiness of a 1,000-person unit
- Designed and implemented new tracking systems for personnel certifications by integrating digital logs, tripling flight hours across the Battalion and expanding the pool of trained small drone operators by 140%

Signals Intelligence Platoon Leader, Columbus, GA & Afghanistan (2018-2019)

- Managed a 28-person cross-functional intelligence team and \$12M in government assets by instituting accountability systems, resulting in four effective deployments to the middle east, zero loss of assets

Intelligence Officer, Savannah, GA & Afghanistan (2016-2018)

- Directed 20 cross-functional personnel during 2 special operations deployments by aligning team priorities with command objectives, optimizing the allocation of \$300M in data collection assets across 50+ operations

Arizona State University Faculty, Tempe, AZ **Aug 2014- May 2015**

First-Year Success Coach, 2014-2015

- Provided academic and wellness support to a portfolio of 200+ freshman students by creating customized success plans aligned with their personal goals, improving engagement, retention, and overall first-year performance
